# Principal's Message

**Paul Starkie**

"Our A-Level Programme offers an exciting range of course and will provide students with the opportunity to benefit from excellent teachers, pastoral care and university guidance to prepare them academically and personally for transition to their next phase of education and future career."

## Reasons To Study A-Level @ CHIS

Wide selection of subjects & strong academic support

Strong leadership programme such as the Duke of Edinburgh's International Award

Support and guidance for university applications, references, personal statements and scholarship applications

World-class facilities with new purpose-built A-Level Hub

Academic and Leadership Scholarships available

# SIXTH FORM @ CHIS

## A GATEWAY TO A WORLD OF OPPORTUNITIES

The CHIS Sixth Form Programme seeks to develop an all-round leader in our senior students. The Programme is carefully designed to prepare students to successfully apply and transition into the top universities around the world and to empower them to be exceptional leaders in their professions and communities.

Your child will be well guided to transition into life beyond school. He/she will have the opportunities to initiate and commit to a social enterprise that impact the communities, be engaged in industrial exposure or internship experience and take part in science research and publications.

We are proud to see our students securing offers and scholarships from prestigious universities like the University of Newcastle, University of New South Wales, Seoul National University and many more.
